

## Arrival Information Renswoude Horse Trials 2021

Dear Participants,

We are very pleased to inform you that it is possible to organize the Renswoude Horse Trials 2021! As you know, at the moment it is not easy to organize an event like this. We have to deal with a lot of extra rules and restrictions, because of Covid-19 and the Rhino-virus. Our event can continue, but we have to follow the rules, otherwise the local government will stop our event.

First of all, we count on your cooperation and please be patient with all our volunteers, who will do their utmost to help you during our event.

This year we have an event without public. It is only open for riders, grooms and chef d'équipes.

It is very important to read this Arrival Information and of course the information you will find in our approved schedule ([www.rechenstelle.de](http://www.rechenstelle.de) or [www.fei.org](http://www.fei.org)). An important rule is that **you are in quarantine on the showground** and as a visitor from abroad you have to follow all the rules in place in the Netherlands, to prevent the spread of the coronavirus. More information can be found on: <https://www.government.nl/topics/coronavirus-covid-19/tackling-new-coronavirus-in-the-netherlands/basic-rules-for-everyone>

Please make sure you check the latest government updates and the exemptions made for elite sport members: <https://www.government.nl/topics/coronavirus-covid-19/visiting-the-netherlands-from-abroad/exemptions-to-the-entry-ban>

**All competitors and their entourage** need to have a **negative PCR-test** available on arrival. The test have been conducted **less than 72 hours** before arrival.

**All horses need to be checked by our Veterinarians**, before entering the showground. The temperature of the horse need to be checked by the rider or groom, with your own equipment. Our Veterinarian will check the temperature. Our Veterinarians also need the following documents:

1. The horse passport
2. The Equine Health Self-Certification Form  
[https://inside.fei.org/system/files/FEI%20Equine%20Health%20Self-Certification%20Form\\_interactive\\_web](https://inside.fei.org/system/files/FEI%20Equine%20Health%20Self-Certification%20Form_interactive_web)
3. The usual sanitary papers for all horses coming from abroad.

Our team will be present to welcome you and your horses on:

- Tuesday 01-06-2021, between 14.00 and 15.00 hours,
- Wednesday 02-06-2021, between 08.00 and 16.00 hours, and
- Thursday 03-06-2021, between 08.00 and 12.00 hours.

Access outside these hours is not permitted! Arrival on Tuesday between 14.00 and 15.00 hours is only possible if you have announced your arrival at [secretariaat@renswoudehorsetrials.nl](mailto:secretariaat@renswoudehorsetrials.nl).

In order to avoid wasting time, we kindly request that you make sure you have all documents, correctly filled in, ready prior to your arrival. If a problem should occur, you will be asked to wait in a secondary parking area, so that other arrivals do not have to wait unnecessarily.

And of course, please respect 1,5 meter distance and wear a mask! Our volunteers will be thankful!

If you have any question, please don't hesitate to contact us!

We do hope that you will have a pleasant stay on our showground in Renswoude. Please stay safe and together we will have a great time!

Kind regards,

The OC of the Renswoude Horse Trials
